

Workshop Programme 2018

Terms 2 & 3

Venues to be confirmed on registration.

Holiday Workshops	
<p>Written Language (Years 3 - 8) Build your knowledge and learn some great, pick-up-and-go strategies. We will look at what makes a good written language programme, what you would expect your students to achieve at the different year levels and how to support the diverse needs of your learners.</p> <p style="text-align: right;">9.30am - 12.30pm \$125</p>	Wellington Mon 16 April
<p>Introduction to the Number Framework (Years 1 - 8) Want to know more about the Number Framework and its pivotal place in the teaching of and learning about Number? We will explore lots of practical ideas and games for teaching number knowledge and strategy as well as current assessment practices.</p> <p style="text-align: right;">9.30am - 12.30pm \$125</p>	Wellington Wed 18 April
Term 2	
<p>PCTs: Running a great reading programme - A hands-on session where participants will have the opportunity to build knowledge, put it into practice and reflect on how to manage an effective reading programme.</p> <p style="text-align: right;">9.30am - 3.00pm \$245</p>	Wellington Wed 16 May Palmerston North Wed 9 May
<p>PCTs: Just in time learning: accelerating students who are falling behind Come to this workshop and explore strategies to accelerate (forward) rather than just revise (backward), build student motivation & agency, encourage perseverance, fill skill gaps within the context of new learning and improve vocabulary.</p> <p style="text-align: right;">9.30am - 12.30pm \$125</p>	Wellington Thurs 24 May Palmerston North Thurs 10 May
<p>PCTs: Written Language - Learn great strategies and reflect on how you teach written language. We will look at the essentials of a good written language programme, expectations of achievement at the different levels and explore ideas on how to support the diverse needs of your learners.</p> <p style="text-align: right;">9.30am - 3.00pm \$245</p>	Wellington Thurs 7 June Palmerston North Wed 6 June
<p>Teacher Aides and SENCOs: Reading and writing - Learn how to get your students reading and writing with purpose and understanding across the curriculum. Your role is essential to literacy learning success in the classroom – learn how to best support your students.</p> <p style="text-align: right;">9.30am - 12.30pm \$125</p>	Wellington Thurs 17 May Hutt Valley Wed 23 May
<p>Teacher Aides and SENCOs: Behaviour Management – finding the behaviour of some of your students a challenge? Come to this workshop, share with other TAs and learn how to diagnose the reasons behind challenging behaviour and use this understanding to manage it with a wide range of practical and effective strategies.</p> <p style="text-align: right;">9.30am - 12.30pm \$125</p>	Wellington Wed 13 June Hutt Valley Thurs 14 June
<p>Difficult Conversations and Mediation – Face the challenges of communication in contexts of conflict with confidence. Participants will be trained to use a model of authentic communication to reframe situations of conflict. The course will be practical involving discussion and role plays.</p> <p style="text-align: right;">9.30am - 12.30pm \$125</p>	Wellington Wed 20 June
Term 3	
<p>PCTs: Numeracy - Start with big picture ideas about the Number Framework and look at proven teaching strategies, lots of games, activities, practical ideas about assessment and grouping for instruction and developing the language of mathematics.</p> <p style="text-align: right;">9.30am - 3.00pm \$245</p>	Wellington Wed 8 August Palmerston North Wed 1 August
<p>PCTs: Maths Strands - Strand knowledge is part of NZC Mathematics. It provides depth of understanding and a context in which to use knowledge and strategies about number. At this workshop we focus on geometry, measurement and statistics and how to include them in your mathematics programme. This is a hands-on session where participants will have the opportunity to build their knowledge about effective mathematics strands programmes.</p> <p style="text-align: right;">9.30am - 3.00pm \$245</p>	Wellington Thurs 30 August Palmerston North Wed 29 August
<p>Written Language (Years 3 - 8) REFRESHER - Participants will have the opportunity to build their knowledge, learn about some great strategies and reflect on how they teach written language. We will look at the research based essentials of a good written language programme, expectations of achievement at the different levels and explore ideas on how to support the diverse needs of your learners.</p> <p style="text-align: right;">9.30am - 12.30pm \$125</p>	Wellington Thurs 9 August Palmerston North Thurs 2 August
<p>Teacher Aides and SENCOs: Supporting English Language Learners - Are you working with students who are learning English as a second language? Not sure about how to really engage them? This workshop will explore practical ways to support English Language Learners and to understand the importance of oral language as a foundation for fluency in speaking, reading and writing English. We will also focus on what it means to come from a different cultural background and how awareness of this can assist us in our work with these students.</p> <p style="text-align: right;">9.30am - 12.30pm \$125</p>	Wellington Wed 15 August Hutt Valley Thurs 16 August
